DETAILED ACTION

Response to Amendments

1. This communication is responsive to the applicant's amendment dated 11/26/2004. Applicant amended claims 1,8, 15, 17-18, 21, 24 and 27, cancelled claims 7, 16, 20, 23 and 19, and added new claims 30-32 (see pages 2-14).

2. The examiner withdraws the disclosure objections, since the applicant made corrections and/or amendments.

The examiner withdraws the claim rejection under 35 USC 112 2nd, since the applicant made corrections and/or amendments.

The examiner withdraws the claim rejection under 35 USC 103, because the applicant cancelled and amended the claims, in which all the previous rejected independent claims are combined with the corresponding dependent claims respectively, which have been objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form, as pointed out in the last office action filed on 09/22/2004.

Allowable Subject Matter

3. Claims 1-6, 8-15, 17-19, 21-22, 24-28 and 30-32 are allowed.

The reason for allowance is based the same reason described in the previous office action, wherein the amended or new added independent claims 1, 15, 21, 30, 31 and 32 correspond to each of the combinations of the previous independent claims and objected

dependent claims (each of them is now rewritten in an independent form) 1+7, 15+16, 21+23, 1+5, 15+18 and 15+20, respectively (see the section of "Allowable Subject Matter" in the previous office action filed on 09/22/2004).

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
